YOUNG CHEMIST AWARD

YOUNG CHEMIST AWARD

8th Winter Process Chemistry Conference

5 – 7 December 2022

Newcastle, UK

'Scientific Update - Young Chemist Award'

Purpose

Scientific Update would like to invite 2nd, 3rd or 4th year PhD students to present their work at the above conference. This award is aimed at those who are considering a career in process chemistry in industry (including pharmaceuticals, fine chemicals, agrochemicals, flavour & fragrance and speciality chemical industries) and will give them an opportunity to meet and network with key industrial leaders and discover potential career options. The 10 successful candidates will be invited to attend the above conference, free of charge, present their work during a 5-minute flash presentation session and present a poster. Prizes will also be awarded for the best presentation and best poster during the meeting.

Eligibility

This award is open to any person studying towards a PhD in Chemistry, Chemical Engineering or a Chemical related Science at a European University. They must be in their 2nd, 3rd or 4th year of full-time post-graduate study at the time of the conference in December 2022.

Judging

Application forms will be used to identify 10 successful candidates to attend the above conference and present their work.

Closing Date

Entries must be made electronically, in confidence to Dr Claire Francis: claire@scientificupdate.com on or before 30th September 2022. Successful applicants will be informed by 31st October 2022
