## EWOC EUROPE

### Empowering Women in Organic Chemistry

10-11 June 2024

*Birmingham, UK*

#### Purpose

The EWOC Committee would like to invite women Scientists to present their work at the above conference. The aim is to provide a forum for talented young women chemists to present their work to an international audience. There will be oral presentations from 3 Academic Researchers and 3 Industrial Scientists (15 minutes each plus questions) and a poster presentation session. All successful candidates (oral or poster presentations) will be invited to attend the conference free of charge. Prizes will also be awarded for the best presentation and best poster.

#### Eligibility

This award is open to any women chemist either studying towards a PhD in Chemistry at a European University or to Young Academics or Industrialists with 1-5 years in their career (including postdoctoral researchers). Exceptions can be made for those with extenuation circumstances, such as career breaks or non-traditional career paths, please contact the organising committee.

#### Judging

Application forms will be used to identify 6 successful candidates to attend the above conference and present their work. You may be invited to present a poster if not short-listed for the 15-minute presentation.

#### Closing Date

Entries must be made electronically, in confidence to Dr Claire Francis: [claire@scientificupdate.com](mailto:claire@scientificupdate.com) on or before 10<sup>th</sup> March 2024. Successful applicants will be informed by 10<sup>th</sup> April 2024.
