

EWOC EUROPE

Empowering Women in Organic Chemistry

10th - 11th June 2024

Birmingham Conference & Exhibition Centre, Birmingham

EWOC Europe is a 'Not-for-Profit' event being sponsored and organised by Scientific Update in conjunction with a committee of supporting companies. In order to make the event FREE for students / academics and for a nominal fee for industrial attendees, we are requesting sponsorship to cover the venue and workshop costs.

The levels of sponsorship will be acknowledged on the event promotion, conference programme and via signage at the event. Companies choosing the Platinum, Gold and Silver options, will be offered a table top in our 'Marketplace' with two attendees at the event – which is a non-commercial area where attendees can get support, career advice and information.

Sponsorship Opportunities

If your company would like to make a financial contribution to the entire event, below are some options. You will be recognised on the promotion for the event (before, during and afterwards) on the conference website, social media and programme and through signage at the conference itself.

Platinum Sponsorship	£5,000
Gold Sponsorship	£3,000
Silver Sponsorship	£2,000
Bronze Sponsorship	£1,000

If your company would like to sponsor one of our motivational workshops that are being delivered by industry expert Dr Hannah Roberts, and have your logo associated with this on the programme and all promotions – the options are as follows:

Workshop 1+ – “Intentional Careers – How to Accelerate your Career”	£995
Workshop 2+ – “Handling Criticism: Communicating as a Leader”	£995

If your company would like to sponsor a networking break, and have signage on the programme and during the associated session the options are as follows:

If your company would like to supply branded tote bags, pens or notepads for the delegates' use during the conference, which we would put out in every place in the conference room.

+Options will be available on a first come basis

To discuss any of the above options or to suggest your own ideas. Please contact Claire Francis
